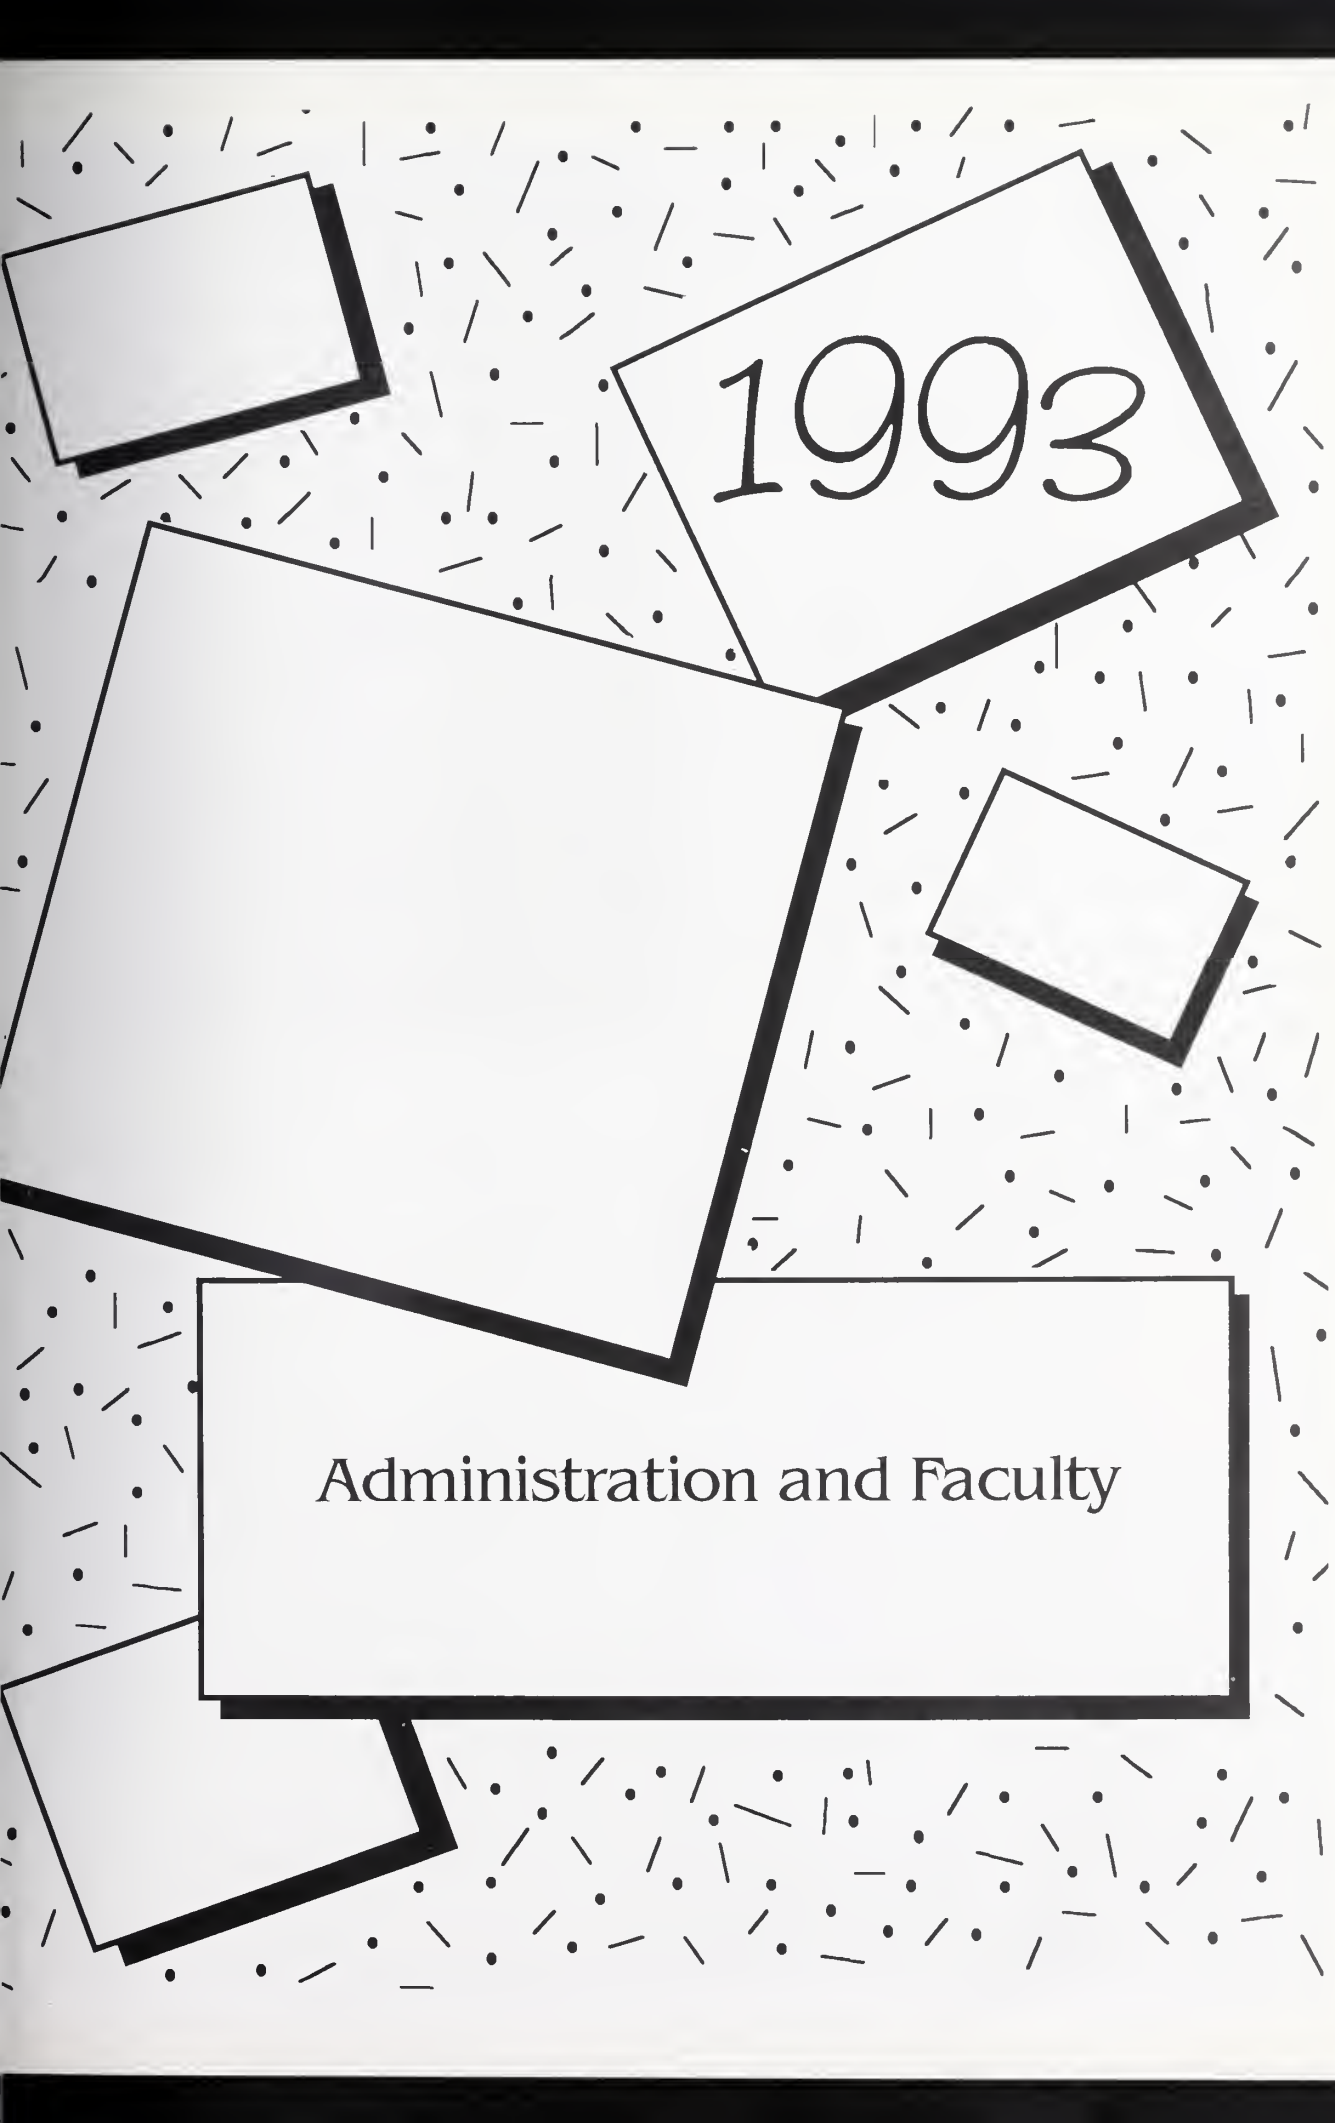
MEMORIES AIRE FOREVER

This year the graduating class of '93 has a special dedication. We would like to dedicate this yearbook to the memory of Daniel Capuano. Danny died unexpectantly during the summer of '92 at the age of 19. Those who knew him will never forget him, he was a special person. He will always be a part of their lives. After all, his spirit has not ended, it has just changed.



1993
Administration and Faculty

Superintendent of Schools

To the Class of 1993:

You are the fifth eighth-grade class to graduate from the Berkley Community School. Your class is the first to have spent more than half of your school years at Berkley Community School, and you have seen many changes in our system, its staff and leadership, and the school buildings since your educational beginnings back in kindergarten. We hope we have provided you with good experiences and a solid basic education.

Most of you will go to Somerset High School; others will go to Bristol-Plymouth, Bristol-Aggie, Coyle & Cassidy, or another high school. Wherever you go the challenge to all of you is to use your past to assist you in meeting the challenges of the future.

Thomas Jefferson said, "In matters of style, swim with the current; in matters of principle, stand like a rock." Look at the long road, set high goals, and be persistent and tireless in your pursuit of a satisfying, meaningful, productive, and enjoyable future.

Best wishes,

Russell F. Latham

PRINCIPAL'S MESSAGE

Congratulations on your graduation from Berkley Community School. You have the distinction of being our last "small" class for a while. While your numbers have been small, your accomplishments have been large. Continue to work hard and fulfill your potential in high school. We are proud of you.

Ms. Sherry A. Medeiros
Principal

ADMINISTRATOR FOR STUDENT SERVICES

You are ready to graduate from Berkley Community School, and hopefully, you are prepared for the wider world of high school and life in general. Many challenges await you - some will be exciting, some frustrating and some downright scary! Meet them head-on. Set short and long term goals and don't be afraid to pursue them with enthusiasm. You, your parents, and your teachers have all worked hard to prepare you for this step, so work hard, have fun and be successful.

Mrs. Janice Backlund
